

WHAT is the South Spencer Scholarship Foundation?

WHO is the South Spencer Scholarship Foundation?

A few of our former graduates had a dream that some of our youth of today could get help to further their education by organizing a South Spencer Scholarship Foundation. YOU ARE A MEMBER OF THIS FOUNDATION since you are a graduate of either Luce Township, Grandview, Rockport or South Spencer High Schools.

Any contribution from a non-graduate donor qualifies him or her as an honorary member of the Foundation.

It is through your donations each year that we are able to survive and accomplish the dreams of a faithful few.

From our meager beginnings in 1985, \$2,000 in scholarships were awarded. Thirty six years later, scholarships have been awarded totaling over \$650,000. This is quite remarkable given the overall size of the South Spencer County School Corporation. This is all made possible due to the generous contributions of many people. Currently 26 named scholarships have been established in memory of or in honor of various individuals. The Scholarship Foundation appreciates the faith and trust in our mission those donors have shown. The foundation encourages continued support through contributions of memorial gifts as well as through wills and endowments. If you would like further information regarding future giving, please contact any member of our Board of Directors.

Memorial Gifts

Memorial contributions may be made in memory of a loved one. This money, as well as regular gifts, is invested and the interest is used for scholarships.

A scholarship can be given in the name of a specific person, only if a Memorial Contribution in the amount of \$5,000.00 or more has been given. The 26 named scholarships are:
