

IDOE Naturalization Examination Test Results Each student enrolled in a U.S. Government course where credit is awarded for General, Core 40, Core 40 with Academic Honors, or Core 40 with technical Honors designation is required to take the naturalization examination provided by the United States Citizenship and Immigration Services (USCIS) as administered by the student's high school. U.S. Government courses included Advanced Placement, International Baccalaureate, dual credit, and Cambridge International courses. Students do not need to pass the naturalization examination in order to pass the U.S. Government course. Retests are not required or published in the results. Students participating in the naturalization examination complete 20 of the 128 items. These items are presented orally by the U.S. Government instructor. The U.S. Government instructor is responsible for selecting the 20 items to present to students. A student score of 60% (12/20) is considered passing on the student's first attempt.
