HIGH SCHOOL MISSION STATEMENT

The mission of the faculty, staff, and administration of South Spencer High School is to provide a comprehensive quality educational program enabling students to become successful lifelong learners and contributors to society.

EQUAL EDUCATION OPPORTUNITY

I. SPECIAL EDUCATION/ADA

South Spencer High School provides a variety of special education programs for students identified as having a disability as defined by the IDEA. A student can access special education services only through the proper evaluation placement procedure. To inquire about the procedure, a parent should contact Sara Weinzapfel at 812-649-9157.

The Americans with Disabilities Act and Section 504 of the Rehabilitation Act require the school to ensure that no individual be discriminated against on the basis of disability. Parents who believe their child may have a disability that interferes substantially with the child's ability to function properly in school should contact Sara Weinzapfel at 812-649-9157.

II. NON-DISCRIMINATION POLICY

South Spencer School Corporation has a policy of providing equal opportunity. All courses are open to all students regardless of race, color, sex, disabling conditions, or national origin, including limited English proficiency.

Education services, programs, instruction, and facilities will not be denied to anyone in the South Spencer County School Corporation as the result of his or her race, color, sex, disability condition, or national origin, including limited English proficiency. For further information, clarification, or complaint, please contact the school at 812-649-9157.

Formal complaints regarding equal education opportunities can be made in writing to the School Corporation's Compliance Officer listed below:

In case of an emergency, all visitors are not to enter the building. They must follow the directions of the police and office personnel.

SCHOOL BUS POLICY

The safe transportation of our student body is a major priority of the South Spencer School Corporation. The School Bus Discipline Plan is designed to promote safety on our school buses at all times. Every passenger is expected to fully cooperate with the driver and to obey all rules and regulations of the South Spencer School Corporation.

All students should behave appropriately and safely while riding on a school bus. No students will be allowed to stop drivers from safely doing their job or prevent other students from having safe transportation. Parents are encouraged to insist that their children conduct themselves in a respectful and safe manner while riding, boarding, or exiting the bus.

School bus transportation is a privilege. It is not mandated by Indiana Law. Students who ignore safety rules or engage in disrespectful activities may lose their riding privileges. In the event a student is suspended from riding a bus, the parent/guardian shall be responsible for transporting the child to and from school.

Student Responsibility on the School Bus

- Students shall be seated in their assigned seats immediately upon entering the bus.
- Students may not stand, kneel or move from place to place while the bus is moving.
- Students are to remain seated until the bus comes to a full stop.
- Loud, boisterous, profane language or indecent conduct shall not be tolerated.
- Students shall not be allowed to tease, scuffle, trip, hold, hit, or use their hands, feet or body in any objectionable manner.

- Students shall follow the instructions of the driver at all times.

CONSEQUENCES FOR FAILURE TO OBEY SCHOOL BUS RULES

A. Verbal Warning

The driver will state specifically the desired behavior and the consequences for not complying and will take appropriate action to ensure the safety of the passengers. In addition, the driver is advised to document all student misbehavior and contact parents for assistance prior to suspending bus privileges.

B. Conference: Assistant Principal and Student (Bus Driver and Parent will be notified)

The driver will fill out a Bus Conduct Report and personally report the incident to the school administration, who will meet with the offending student. The Bus Conduct Report will be mailed to the bus driver and parents/guardians.

C. Conference: Principal, Student, Parent, and Driver - This conference will only be held if deemed necessary.

The driver will fill out the Bus Conduct Report and personally report the incident to school administration. The Bus Conduct Report, requesting a conference, will be sent to the parents of the offending student by the Principal. A copy will be sent to the driver.

D. Suspension of the Bus Riding Privileges

The driver will fill out the Bus Conduct Report and personally report the incident to the building principal. The driver has the authority to suspend the bus riding privileges of a student for one (1) day. Administration may increase the period of suspension, depending on the severity of the misconduct. Parents must be notified by the principal, prior to any suspension becoming official.

E. Long-term Suspension of the Bus Riding Privileges

The driver will fill out the Bus Conduct Report and personally report the incident to the administration. Administration may initiate a longer-term suspension, up to a semester or an entire school year. Again, parents must be notified by the principal, prior to the suspension becoming official. Note: The principal may move directly to student discipline guidelines Class I, II, III, or IV for serious offenses such as fighting, vandalism, etc.

CELL PHONE USAGE ON SCHOOL BUSES

Student Personal Communication Device usage **(Including CELL PHONE/CAMERAS)**

Distracting behavior that creates an unsafe environment will not be tolerated on school buses.

Possession and/or use of a personal communication device (PCD) by a student while on a school bus is a privilege that may be forfeited by any student who fails to abide by the terms.

Students may use PCDs while riding to and from school on a school bus or other Board-provided vehicle or on a school bus or Board-provided vehicle during school-sponsored activities, at the discretion of the bus driver, classroom teacher/sponsor/advisor/coach.

No taking or sending pictures/videos or showing other student's cell phones or other electronic devices.

Regular Route/Extra-Curricular Trips

While cell phones and other Electronic Devices will not be banned on the school buses, students will abide by the bus driver and the above rules of cell phones and other Electronic Devices while on the school bus.

Students will be permitted to listen to music or play games on their cell phones or Chromebook with **one** earbud or headphone on at all times so they do not distract anyone and they can still hear the driver at all times in case of an emergency. Any complaints about cell phones, the student will be asked to turn them off and place it in their backpack.

- **First offense**, the driver will confiscate the cell phone or Chromebook and return them as the student exits the bus.
- **Second offense**, the driver will confiscate the cell phone or other electronic device and turn it into the school office, and the parent will be required to pick it up.

STUDENT GRIEVANCE

In the case involving a perceived grievable offense against a student by a professional staff member or any other employee of the South Spencer School Corporation, the grieved student will bring the grievance to the immediate attention of the building level administrator. At such time that a perceived grievable offense has been reported, the building level administrator will conduct a timely investigation. If the student is not satisfied with the results of the investigation that student may present the grievance to the Superintendent of Schools. If the student is not satisfied with the results of the investigation by the Superintendent of Schools, the student may request an audience with the Board of School Trustees for the purpose of presenting the perceived grievance. Any determination made by the Board of School Trustees will be considered final.

STUDENT RIGHTS OF EXPRESSION

South Spencer recognizes the right of students to express themselves. With the right of expression comes the responsibility to do it appropriately. Materials (including technology/social media) cannot be displayed or distributed if it:

- is obscene to minors, libelous, indecent, or vulgar
- advertises any product or service not permitted to minors by law
- intends to be insulting or harassing
- intends to incite fighting
- presents a clear and present likelihood of substantial disruption

Students who are unsure whether or not material they wish to display meet school guidelines may present them to South Spencer High School administration 24 hours prior to display.

STATE LAW

Students are responsible for their conduct under all local, state, and federal laws. The fact that the law may not be mentioned in this handbook does not excuse the student from the consequences of his actions under the law. All local, state and federal laws are to be followed at all times

SEARCH AND SEIZURE

Students and parents/guardians should understand that in order to maintain a safe school environment, there will be occasional searches conducted on the premise of SSHS or at any school function location. These searches will be conducted according to Indiana Code and will include all lockers, vehicles, personal items, etc. that is deemed necessary. Canine search teams will also be utilized.

LOCKERS

Students are assigned lockers by the guidance office. Students are responsible for the condition of their lockers and will be assessed a fine for any damage done to the locker. Food and drink are not to be kept in the locker. Lockers are subject to inspection by authorized school personnel. Students are not permitted to change lockers after assignments have been made. The school is not responsible for stolen or lost articles; however, if reported the school officials will make every effort to retrieve stolen items. Students are not permitted to put a non-school lock on any locker. Locker searches may occur periodically as prescribed by law (IC 20-33-8-32).

- A student who uses a locker that is the property of a school corporation is presumed to have no expectation of privacy in that locker or the locker's contents.
- A principal/designee may, in accordance with the rules of the governing body, search a student's locker and the locker's contents at any time.
- A law enforcement agency having jurisdiction over the geographic area having a school facility containing a student's locker may: At the request of the school principal/designee; and in accordance with the rules of the governing body of the school corporation; assist a school administrator in searching a student's locker and the locker's contents.

Students are responsible and will be held accountable for items in their lockers.

AUTOMOBILES

Driving to school is a privilege. Students who fail to observe safe driving practices may lose their driving privileges. Vehicle searches may occur periodically as prescribed by law. Students must park their vehicles in the student parking lot on the northeast side of the building as directed by the principal. Students must obtain a parking permit in order to park on school property during the school day. Students will be charged \$4.00 (the cost of the permit) and this will be used as a deposit. When the student is finished and the permit is returned to the office the amount paid for the permit will be returned. Vehicles are to be locked. Once on the school grounds, students should enter the school without loitering in the vehicles or the parking lot. Vehicles not properly parked in a marked parking space may be towed at student/parent/guardian's expense. Students may not leave school grounds after arriving and may not go to their vehicle during the day without permission from the office. All student drivers arriving at school or leaving the school grounds will yield to school busses at all times. Students are responsible and will be held accountable for items in their automobiles. All students driving to school, operating a vehicle on school property during the school day and parking on school property will be subject to the Random Drug Testing Policy.

All drop-offs and pick-ups of students must be done at the Main Entrance. Driving courtesies should be extended to faculty/staff arriving/leaving parking spaces.

CLOSED CAMPUS

Students *must* stay on the school grounds from the time of their arrival until the completion of the school day. Any student leaving the school building must have permission. Any student who leaves the school campus without proper permission will face disciplinary action as outlined in the discipline code.

COMMONS AREA/CAFETERIA

The commons area will be used as a cafeteria and for other group activities which lend themselves to this area. When used as a cafeteria, some guidelines of courteous behavior are:

- Eat only in the cafeteria or outside patio area.
- Leave tables and the surrounding area clean and orderly.
- Return tray and eating utensils to the return window.
- Remain in the commons area until the lunch period is ended unless authorized to go to the upper-level gym, patio or media center.
- Food and drinks, other than water, are not permitted in the academic areas/hallways.

TEXTBOOK RENTAL

The textbook rental fee is established on a per course basis and includes textbooks, workbooks, study papers and other consumable materials. Textbooks and consumables are the only items covered by the free lunch/textbook program. Items not covered must be paid by the student. Textbooks are the responsibility of the students to whom they are issued and must be returned in good condition at the end of each quarter/semester. Students will be assessed fines for lost or damaged books. By including as many fees as possible in this textbook rental fee, parents/guardians should not have other fees to pay during the school year. Some classes will have additional fees due to projects the student undertakes during the year.

Parents/guardians are asked to pay or make arrangements to pay for the textbook rental fee during the registration of students before school starts. Free lunch applications are available during registration and must be submitted within four (4) weeks after the start of school.

WRITING CHECKS TO SSHS

South Spencer High School will accept checks to cover the cost of textbooks, fees, consumable items, lunches, etc. Checks must be written for the exact amount of the purchase. Students may not write a check and receive cash in return.

CHARGING POLICY FOR SCHOOL LUNCHESES

Students may charge no more than 10 days without making a payment. Ala carte items cannot be charged at all. This includes drinks, seconds, and extras. Your child will need to bring a lunch from home until charges are paid. If necessary the cafeteria will provide them with a sandwich, fruit, and milk for lunch at the price of \$1.00 until charges are paid. We do not wish to embarrass your child/children, but we must operate a cafeteria and be fiscally responsible for its finances.

FUND-RAISING

All fund-raising by student organizations, teams or groups must be approved by the principal before they can proceed. Fundraising request forms may be picked up in the main office.

INSURANCE

The Board of School Trustees is not generally responsible for injuries to children at school or at places under school auspices and cannot pay damages, hospital bills, or medical bills, regardless of the seriousness of the case.

LOST AND FOUND

Lost or misplaced personal items should be turned into the office. Students should check with the main office personnel on any item(s) they feel may have been lost. All items that are turned into the office are kept for a six week period.

EARLY DISMISSAL

Any student who leaves the school before the end of the regular school day must have permission from the office and sign the sign out sheet. No student will be allowed to leave school prior to regular dismissal time without permission from a parent or guardian. Students leaving / returning school must sign out / in.

INJURY AND ILLNESS

All injuries must be reported to a teacher or the office. If minor, the student will be treated and may return to class. If medical attention is required, the office will follow the school's emergency procedures and **attempt to make contact with the student's parents.**

A student who becomes ill during the school day should request permission from the teacher to go to the office. The office will determine whether or not the student should remain in school or go home. No student will be released from school without proper parental permission.

SCHOOL NURSE'S OFFICE

- Students should come during non-academic times except in an emergency situation.
- Students are required to have a pass from the teacher of the period in which they are visiting the nurse.
- Students who become ill during the school day must see the nurse/office staff for dismissal. The nurse will make arrangements with a parent/guardian or emergency contact for dismissal.

A. Notice to Parents

In the school setting if any possible infections, contagious or transmittable condition is suspected by the office or school nurse, the parent of the student will be contacted to come and remove the student from the school immediately. At this time you will be advised that you should seek medical attention. The student may not come back into contact with other students until he/she is cleared by a medical doctor. A medical release is required in order to return to school.

B. Rules for Medications Given at School

The school nurse is aware that there are circumstances and disabilities when children require medication during school hours. South Spencer School Corporation requires the regulations listed below before medication can be given to a student at school.

All controlled substance prescriptions including all ADD/ADHD medications must be signed in by the parent to the school nurse or office staff in your child's school. Please refer to the school website or contact the school office for the school nurse hours.

1. **All medication must be brought to school directly by the parent. Medication May Not be sent to school with the student. It must be in its original, unopened container.** The Medication Request and Authorization form must be filled out and turned in before the student will be allowed to begin taking any medication during school hours. No expired medication will be accepted. Prescription medicines must have a current pharmacy label with the student's name and instructions printed on it. The pharmacy will give you a second labeled bottle for dividing the medication upon your request.
2. **Written permission from the doctor must be submitted at the onset of prescription medication use,** for any changes, and when the medication is discontinued. The Authorization for Medication/Physician Statement form is available on the school website or can be picked up in the school office.
3. All controlled substance medications, such as Ritalin, Adderall, etc., will be counted when brought to the school and when the medication is discontinued with the school nurse or designated school employee and the parent. Narcotic Pain Medication will not be administered at school.
4. Your child should not come to school on narcotic medication for pain management as these medications may cause dizziness, lightheadedness and sedation which make it difficult for your child to function safely and effectively in school.
5. **Nonprescription medicines or over the counter medication** must have the student's name written or taped on the container. **It must be in its original, unopened container.** Written permission with specific instructions from the parent must be sent with the medication. Permission forms are available at the schools. (On the school corporation website you can access printable forms by clicking on the Forms link.)
6. Aspirin/Aspirin Containing Medication and Herbal/Homeopathic Medication will not be administered by school personnel without a prescription due to the risk of Reye's syndrome and / or lack of FDA approval.
7. All medications must be turned in to the office. The medication will be stored in a locked cabinet in the nurse's office.

8. All medications must be administered by a designated school employee. The student must come to the office to take his/her medication regardless of what type of medication it is.
9. **Students are not allowed to carry any medication with them unless the following conditions are met:**
 - The student's parent has completed the Authorization for Medication Form and is on file in the school office.
 - The doctor states in writing that the student has an acute or chronic disease or medical condition for which the physician has prescribed medication; the student has been instructed in how to self-administer the medication; and the nature of the disease or medical condition requires emergency administration of the medication. The authorization and statement must be filed annually with the school office.
10. When the student's medication bottle is empty (for those taking daily medication), the school will send it home for you to get refilled. Please do so right away so your child does not go without needed medication.
11. If the student is on an antibiotic that is given three (3) times daily, please give this to your child at home. For example you can give them the medicine before school, after school and at bedtime.
12. It is the **parents' responsibility** to pick up remaining medication by the end of the last day of the school year. All medication must be picked up by the student's parent or an individual who is at least eighteen (18) years of age and designated, in writing, by the student's parent to receive the medication by the end of the last day of school. **Any medication not picked up by the end of the last day of the school year will be discarded by the school nurse.**

C. Pain Management in the School Setting

Oftentimes, students will require pain management when returning to school after dental surgery, orthopedic injuries, or other surgeries. Students should be able to manage their pain with acetaminophen or ibuprofen as prescribed by their physician before returning to school. With the parent permission form completed either Tylenol or Ibuprofen may be administered according to the manufacturer's suggested dosage by the school nurse or designated school employee. A physician's order from the student's personal physician is required if any of the following applies:

- If the student is to receive Tylenol more than 2 times a week.
- If the student is to receive Ibuprofen more than 2 times a week.
- If the requested dosage differs from the manufacturer's suggested dosage.

Indiana State Law requires parental permission for your child to take Tylenol at school. Under the standing orders of the medical Advisor, Acetaminophen (generic form of Tylenol) may be given with Parent's authorization. Acetaminophen may be administered by mouth for symptoms of toothache, dental discomfort, menstrual cramps, simple headaches and minor joint pain. **Students may not receive Acetaminophen for colds or chronic pain, under the standing order. Complaints such as these require a written order from the student's private physician/provider.** Acetaminophen will only be given between the hours of 10:00 a.m. & 1:00 p.m. Your child will not be given a dose in excess of the recommended dose on the package without a physician's order, regardless of parental request.

Per the Standing Order of the Medical Advisor: **Only one dose will be administered during the school day up to twice in one week.** If the student continues to be uncomfortable, the parent/guardian will be contacted regarding the necessity of a medical evaluation. **A written physician's order from the student's private physician will be required if the student is to receive Acetaminophen more than twice a week.** The Tylenol Permission Form is available in the school office.

D. Narcotic medication will not be administered at school.

For your child's safety, he / she should not return to school on narcotic medication for pain management. Narcotics including but not limited to Percocet, Percodan, Oxycodone, and Codeine, are used for the treatment of moderate to severe pain. These medications may cause dizziness, light-headedness and sedation which make it difficult for your child to function safely and effectively in school. Driving and operating machinery is also not recommended because these medications cause drowsiness which makes it difficult to attend to the task at hand. Students have impaired concentration and attention to school work while under the influence of narcotic medications.

IMMUNIZATIONS

Each student shall have the immunizations required by law or have an authorized waiver. If a student does not have the necessary shots or waivers, the principal may remove the student or require compliance with a set deadline.

CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASES AND PESTS

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or highly-transient pest, such as lice. Any removal will be only for the contagious period.

CONTROL OF NON-CASUAL-CONTACT COMMUNICABLE DISEASES

In the case of non-casual-contact, communicable diseases, the school still has the obligation to protect the safety of the staff and students. The school will seek to keep students and staff in school unless there is definitive evidence to warrant exclusion. Non-casual contact communicable diseases include sexually transmitted diseases, AIDS, ARC-AIDS Related Complex, HIV, Hepatitis B and others

PANDEMIC INFLUENZA / INFECTIOUS OUTBREAKS CRISIS RESPONSE PLAN

An influenza pandemic is a global outbreak of disease that occurs when a new influenza virus strain spreads easily from person to person and occurs worldwide. A pandemic can lead to serious illness, death, social disruptions, travel restrictions, devastating economic disruptions, disruptions of utilities, disrupted food supply chains, and disruptions of the educational system.

Protecting the health and safety of our staff, students, and their families is a major priority of the South Spencer County School Corporation, which has taken steps to prepare for a pandemic influenza outbreak. This is outlined in our Crisis Response Plan. Copies are available to staff, students and their families in the office or can be accessed on our school's website at www.sspencer.k12.in.us.

STUDENT RECORDS

A policy on student records is available for each student at the beginning of the year. Confidential records contain educational and behavioral information that has restricted access based on the Family Education Rights and Privacy Act. This information can only be released with the written consent of the parents or guardian.

ENROLLING IN THE SCHOOL

Students are expected to enroll in the attendance corporation in which they have legal settlement, unless other arrangements have been approved.

Students that are new to the school are required to enroll with their parents or legal guardian. When enrolling, the parents will need to bring:

- A birth certificate or similar document
- Court papers allocating parental rights and responsibilities or custody
- Proof of residency, (no homeless child will be denied enrollment based on a lack of proof or residency)
- Proof of immunizations

In some cases, a temporary enrollment may be permitted. If that is done, the parents will be told what records are needed to make the enrollment complete.

Students enrolling from another accredited school must have an official transcript from the sending school in order to receive credit from that school. Sara Weinzapfel will assist in obtaining the transcript, if not presented at the time of enrollment.

Adult students (18 years of age or older) may enroll themselves, but if residing with their parents, are encouraged to include them in the process. Adult students do carry the responsibilities of both the student and parent.

TRANSFER OUT OF THE CORPORATION

If a student plans to transfer from South Spencer High School, the parent must notify the principal. School records shall be transferred within fourteen (14) days to the new school corporation. Parents are encouraged to contact the counselor.

WITHDRAWAL FROM SCHOOL

Each student will attend school as defined by the compulsory attendance law of the State of Indiana. School attendance is compulsory until the student either graduates or reaches the age of 18. A student may withdraw from school before graduation but only after attending an *exit interview* along with their parent/guardian and the principal or designee. The parent/guardian must consent in writing and all *fees* must be paid before the withdrawal can be signed by the principal or designee to be official.

COUNSELOR

A counselor is available to assist you and your parents in making educational and personal decisions. Information related to vocational and educational planning will be provided in group sessions. Request an appointment with the counselor by seeing the secretary in the guidance office.

- Personal counseling
- Crisis intervention
- Case conferences
- Orientation and enrollment
- Testing and test interpretation
- Pre-registration and scheduling activities
- Career/post high school education planning
- Student evaluations/recommendations
- Post high school financial aid planning (Since scholarships and deadline dates change each year, see the Guidance Office for updated list of scholarships and deadline dates)

DROPPING AND ADDING CLASSES

After the start of the school year, students may drop/add classes only during the first three (3) days of each semester. To request a change, students must:

1. Obtain a Drop/Add Form from the guidance office.
2. Complete the form by having it signed by the teacher of the class to drop, the teacher of the class to add, and also by the parent/guardian.
3. Return the request to the guidance office before the end of the drop/add period (first 3 days of the semester).

Students and parents need to be aware that dropping classes may affect athletic eligibility (taking and passing five (5) credits is required). Dropping certain classes may also affect the diploma that the student is pursuing. Students and parents should be informed before making these decisions.

CREDIT RECOVERY

Students who need to make up credits may be allowed to enroll in the Credit Recovery Program. A referral from the Guidance Counselor is needed for this program. Alternative methods of earning credits will also need to be approved by the Guidance Counselor.

COLLEGE VISITATION

Students must meet with the counselor prior to setting up a *college visitation day*. The student must obtain a college visitation permit form in the main office and have a signed form turned in at least one week in advance from the date of the scheduled visit. If form is not turned in one week in advance, then it is treated as a regular absence. It is the student's responsibility to get assignments and talk with his/her teachers. If a student is absent the day before a scheduled college visit, the student must get the visitation approved by the principal. If necessary, the day will be rescheduled through the Guidance Office. Students will be allowed two (2) college visit days their Junior year and two (2) their Senior year, unless they are going for a scholarship interview. All students are encouraged to attend the pre-arranged college visitation days organized by the universities. All schools have these weekend events and prefer that students visit on these dates. You can find these dates online through any university's admissions office.

Notice to Parents of Sophomores: All Indiana public high schools are required by law, which became effective July 1, 2000, to provide access to the high school campus and "student directory information" for official recruiting representatives of the U.S. armed forces, the Indiana National Guard, the Indiana Army National Guard, and the service academies. Student directory information that is given is the student's name, address, and phone number.

Parents or guardians of high school students may submit to the high school a signed, written request at the end of the student's sophomore year that such "student directory information" NOT be released to military recruiters.

GRADUATION REQUIREMENTS

Graduation requirements are different depending upon the year of graduation and diploma sought. Refer to the Course Description/Curriculum Guide for details, or contact the Guidance Office.

CLASS DESIGNATION

Students are required to earn the following number of credits to be considered in a certain grade level:

	Credits
Freshmen	0-7
Sophomore	8-14
Junior	15-28
Senior	29-40

REGISTRATION

Registration for the next school year takes place each spring. Registration for classes calls for careful planning on the part of students, parents and the school. Certain courses are required for graduation, and others are elective. Students with specific goals after high school must select courses that will help to attain those goals. Course selections are finalized by the last day of the current school year and no changes will be made after school begins. The principal will evaluate any extenuating situations but changing classes will not be encouraged and only under very unusual circumstances will it be allowed.

COMMENCEMENT

South Spencer High School expects all students to be enrolled for at least seven (7) semesters. In order to graduate and participate in the commencement exercises, all requirements for graduation must be met. There will be no unsigned diploma(s).

FINAL EXAMS

A final exam will be given in each course at the end of each semester. The exam may take the form of a test, a speech, a final project, or other grades as established by the teacher. The exam may be used for up to 20% of the semester grade. The form of the final exam and the grading technique used will be explained by each teacher at the beginning of the class. *Refer to the course syllabus of each class for method of grade calculation.

FINALS EXEMPTION POLICY

Students may exempt themselves from two classes per semester. The exemptions may not be the same for the second semester as they were the first semester. Rules are as follows:

1. Students can only exempt out of a maximum of two (2) finals.
2. Must meet two out of the three requirements:
 - An "A" in the class they wish to exempt
 - No Office referrals
 - Zero (0) unexcused absences **AND** a maximum of 2 certified or excused absences (combined)
3. Tardies will be covered by the "No Office Referrals" portion of the policy.
4. A spreadsheet would be developed to track info.
5. Dates for determining finals exemptions will be determined each semester.
6. Students would be responsible for letting you know if they believe they qualify for exemption in your class.

NOTE: Senior exemption policy at the end of Semester II remains the same.

GRADING SCALE / GRADE POINT AVERAGE SCALES

Grade Point Averages are calculated using semester grades only. The formula is grade points earned divided by credits attempted. To calculate grade points earned multiply grade points by credits attempted. All courses are on the 11-point scale except AP courses or college credit courses.

Example

Course	Grade	# of Credits	Grade Points Earned
Vocational Welding	B = 3.0	1.5	4.5
English 9	B = 3.0	1	3
Fundamentals of Ag.	B = 3.0	0.5	1.5
Total		3	9

$$\text{GPA} = \text{Grade Points Earned} / \text{Credits Attempted}$$

$$\text{GPA} = 9 / 3$$

$$\text{GPA} = 3.0$$

GRADING REPORTS

Students will receive progress reports in all classes on a 4 ½ week basis to determine extracurricular eligibility. A grade will be established at the end of each nine weeks. The 9-week grades and final exam will be used to develop a semester grade. Each nine weeks grade will be 40% and the final exam will be 20% of the semester grade. The semester grade is used to determine GPA and class rank and become a part of the student's permanent record.

VALEDICTORIAN AND SALUTATORIAN/ACADEMIC HONORS

A. Class Rank

The School Board has authorized the use of a class ranking system for grades 9-12 and an honor roll for all grades. The system to be used is detailed below.

At the end of the sophomore year, the junior year, and finally at the end of the last report period in the senior year, students will be ranked scholastically. The final average will be used in all subjects in which units of credits are given to calculate an average. This ranking is requested by colleges, is used to determine the eligibility for membership in the BETA Club, and is used for certain senior honors.

1. Class rank shall be computed by the final grade in all subjects. Any two (2) or more students whose computed grade point averages are identical shall be given the same rank.

2. The rank of the student who immediately follows a tied position will be determined by the number of students preceding him \ her and not by the rank of the person preceding him \ her.
3. In recognition of the heavier burden of advanced work, grade point averages shall be weighted by awarding one (1) extra unit for unusually difficult courses (AP Classes) as approved by the superintendent.
4. A student's grade point average and rank in class shall be entered on his \ her record and shall be subject to the board's policy on release of student records. Rank in class shall be entered on the student's records and on all transcripts.

The standing or rank in senior class and the top scholastic honors of Valedictorian and Salutatorian are determined by the final average.

B. Academic Honors

The academic honors of Valedictorian, Salutatorian and top Ten Percent, will be based on GPA / Class Rank at the end of the 8th and final semester. To receive Academic Honors a student must successfully complete the requirements for an Indiana Academic Honors Diploma. The Valedictorian shall rank number one (1), the Salutatorian number two (2), and the Top Ten Percent shall be based on the enrollment of the senior class on (1st) ADM day.

In the determination of Valedictorian and Salutatorian Honors a student may not gain an unfair GPA advantage by accumulating fewer credits attempted. In the case of such an occurrence the principal shall put into place a procedure to make the GPA calculation equal for all students involved.

ATTENDANCE

A. Introduction

The Indiana Compulsory Attendance Law (IC 20-33-2) compels all children of legal school age to attend public school or its equivalent every day unless legally excused. In accordance with IC 20-33-2-26, South Spencer County school officials will make every effort to ensure that all children attend school as required under this chapter. If an enrolled student is not in compliance with the Compulsory Attendance Law, SSHS will notify the proper authorities.

B. Absence

When a student is ill or cannot attend class, the parent or guardian is expected to contact the school by 9:00 AM. On the student's return to school, he or she should bring a written excuse stating the reason for the absence, the date of the absence, and the signature of the parent or guardian.

C. There are three levels of absences:

- Certified: Student turns in a note from a doctor, counselor, or court hearing; Still counts against student as an absence, but will not count toward warning letter or truancy referral counts.
- Excused: Parent calls before 9 am to report student's absence or student brings a note upon return, written, dated and signed by parent stating the days missed and reason.
- Unexcused: School does not receive a note or phone call from parent stating reason for student's absence In order for an unexcused absence to be changed to an excused absence, a note written, dated and signed by parent must be turned in to the office within 3 days of absence. Truancy is a form of an unexcused absence and will be dealt with through the code of conduct.

D. Excused Absence

- Illness verified by note from a parent/guardian
- Illness verified by note from a Physician
- Family Funeral
- Maternity
- Military Connected Families (e.g. absences related to deployment and return)
- Pre-arranged absences (see vacations)
- Required religious observances
- Exceptions designated in law (IC 20-33--2-14 to 20-33-2-17.7)

E. Makeup Work – All Absences (including suspensions)

When the absence is unexcused, the student/parent has the obligation to ask for make-up work. This may include the actual classwork assigned during the student's absence, or an alternate assignment that covers the same material.

It is the student's responsibility to learn the missed material, including completing alternate assignments deemed appropriate by the teacher. Make-up assignments or tests shall be made available to students after any absence. It is the student's responsibility to find out the assignments and make up the work within the period of time designated by the teacher. Teachers shall inform the students of the amount of time allotted for completing make-up work after an absence. The general rule will be extending the same number of days in which the student was not present at school to make up the work. (There may be exceptions including those noted below). If students meet the teacher's requirement, they shall receive credit for satisfactory make-up work after an absence, including absences as a result of suspension. If the student does not meet the requirement communicated by the teacher they may receive a zero for the work.

Note:

- When a student is absent/ suspended for three or more days, the parent/ student needs to make an effort to obtain available assigned work from the school/ teacher. The teacher(s) will make every effort to get available work ready for pickup. Unless approved by the teacher, all work provided in advance or during the absence is expected to be returned on the day the student returns to school.
- South Spencer School Corporation grants schools the authority to deny credit for work missed during unexcused absences and out- of- school suspensions. SSHS may deny all make-up privileges to students should the parent/student fail to follow the guidelines listed above or when the Principal determines circumstances warrant this action.

F. Attendance Problems/Potential Attendance Problems

- Three Days of Unexcused Absence - (Warning) Written notice to the parent from the principal or designee that includes communicating the possibility of a referral to the Spencer County Attendance/Truancy Court upon the 6th combined absence.
- Six Days of Unexcused Absence – referral to the Spencer County Attendance/Truancy Court/Department of Children's Services (DCS)
- Additional unexcused absences may result in legal remedies decided upon by the school in conjunction with the Spencer County Attendance/Truancy Court.
- Should a student be absent for 10 or more unexcused absences for non-documented medical or legal reasons, the principal /designee will determine whether the process of expulsion from school should be initiated for habitual truancy
- 10 Days of combined absences (excused and unexcused) - referral to the Spencer County Attendance/Truancy Court.
- Truancy – all school discipline sanctions will apply with any Truancy including the first.

Note:

Habitual Truancy - May result in legal remedies being sought against student and parent including referral to the Spencer County Attendance/Truancy Court. Also, any habitual truant, thirteen (13) or fourteen (14) years of age, will be identified in a list submitted to the Bureau of Motor Vehicles and may not be issued an operator's license or learner's permit to drive a motor vehicle or motorcycle under IC 9-24 until the person is eighteen (18) years of age. A periodic review (at least once each school year) of the student's attendance record will be conducted by school officials to determine whether this probation will continue.

Excessive Absences:

Upon the eighth (8th) unexcused or excused absence per semester or the fifteenth (15th) unexcused or excused absences for the school year, a student and parent will be required to meet with the principal or school counselor/school social worker to help the student improve their attendance. The school, student, and parent will enter into an attendance contract to correct attendance problems.

KRUNCH TIME

KRUNCH time is designed primarily for student remediation and study time. Students are to seek help on assignments and quietly work on homework. This time is also designed for networking and to make connections. This is a great opportunity to make-up tests and quizzes. Club meetings may also take place during this time. Students should not be roaming the hallways during this time.

STUDENT BEHAVIOR/DISCIPLINE

A goal of South Spencer's educational program is to encourage independence and responsibility, which are characteristics of a mature person. Since an orderly atmosphere is essential if learning is to occur, these guidelines are for the safety and welfare of the students as well as for the common good of the entire school:

- A constant respect for persons, whether they are a teacher, staff, students, visitors or others, is a basic requirement for good interpersonal relations.
- Respect for personal and school property is a sign of maturity.
- An atmosphere of reasonable quietness must be maintained to create a situation conducive to learning.

DISCIPLINE GUIDELINES

The rules you are about to read in this code of conduct supplement are in addition to our broad, discretionary authority to maintain safety, order, and discipline. These rules support, but do not limit, our authority. Discipline is not punishment. Discipline is designed to promote positive, changed behavior.

The following class list of violations is provided to aid in the communication of our expectations and obligations to the student body to insure a proper school atmosphere. It should be understood that discipline is a continual process with the whole year's record of the student being used to determine the necessary penalty for each violation. Repeat offenders will have more severe penalties and could be moved to the next class of punishment. Students who have one (1) violation in Class 4 will be subject to expulsion or placement in the Alternative School. Each student who is subject to disciplinary action by the school administration will be dealt with according to this philosophy. The unique circumstances of each individual's case will be considered before a decision regarding punishment is made. Similar misbehavior will normally receive similar penalties depending on the student's whole record. This list is not intended to be the "last word" concerning penalties. The merits of each case require flexibility; however, this list is provided to demonstrate a conscientious attempt to deal consistently and fairly with each individual. Misbehavior not listed here will also be handled with this stated intent in mind. In cases involving expulsion, Public Law 162 of Student Due Process will be followed.

Students are obligated to report to a teacher, guidance counselor, or administrator concerning any known possible threats to the safety of the school or any individual.

The superintendent, principal, other administrative personnel or any teacher of the South Spencer County School Corporation will be authorized to take appropriate action in connection with student behavior based on but not exclusively restricted to, the following classes of disciplinary actions:

REMOVAL FROM CLASSROOM BY A TEACHER

Teachers have the right to remove a student(s) from their class as a disciplinary action for up to five (5) days. The student may be assigned regular or additional work to be completed in another supervised school setting. (In-School Detention). When students are removed from class, they will not return to class that same day. They are to be seen by an administrator or counselor and spend the remainder of that class in the office area.

DISCIPLINARY ACTION

A. DETENTION

Additional time assigned at school, either before or after regular school hours, under supervision. Students who have detention time to serve are responsible for arranging their own transportation. The detention will be served on the day or days assigned by the principal or designee. Students serving detention must arrive by 7 a.m. for morning detention. All students must arrive on time to serve the detentions or they will be considered tardy and will have to serve detention on another day.

B. IN-SCHOOL SUSPENSION

Time will be spent, during the regular school hours, in an assigned area with supervision. Work missed, or its equivalent, may be made up for full credit. The student's teachers will be notified of the suspension and the student will receive assignments for completion. The completed makeup work is due at the end of the day's suspension period. In-school suspension will be used in an effort to keep the student in school and earning credit for work done. In-school suspensions will be used as an alternative to out-of-school suspension. Students will be required to deposit any phones in their possession into a secure container. Phones will be returned daily at the end of the day. This is to prevent "distractions" while working on assignments.

C. SUSPENSION FROM SCHOOL

Disciplinary action whereby a student is separated from school attendance for a period up to ten (10) days and which does not constitute an expulsion. The student is not to attend or participate in any school activity or function during the time of this suspension. It is the responsibility of the student to obtain assignments from their teachers no later than the day they return to school. Credit may not be given for general make-up work. However students will be allowed to make up tests or projects which would have a major impact on their overall grade. In regards to this policy, administration may take unusual circumstances under consideration. Under IC 9-24-2-4 the state gives the school authority to invalidate or prohibit driving privileges after a second suspension or expulsion. ***No credit will be given unless identified as a substantial part of the grade.***

D. EXPULSION

A student is suspended by the principal for up to ten (10) days and a Due Process Hearing is requested by the principal. The student may not participate or attend any school activity or function during the time of the suspension. Public Law 162 is followed. Under IC 9-24-2-4 the state gives the school authority to invalidate or prohibit driving privileges after a second suspension or expulsion. Expulsions may be appealed to the board and subsequently to the appropriate court.

NOTE:—all previously listed discipline and consequences apply when a student is:

1. on school grounds, immediately before, during and after school.
2. off school grounds at a school activity, function or event.
3. traveling to or from school or a school activity, function or event.
4. anytime if the potential to distract the educational process exists.

DRIVER'S LICENSE INVALIDATION / NON-ISSUE

If this does not occur it will be viewed as Direct Insubordination and consequences will follow.

Cell Phones are allowed to be turned on or visible during school hours. Students will be allowed to use their cell phones before school, during breaks, during lunch and after school but not during class time. This time is vital to your education and is not to be interrupted by cell phone usage. Students are encouraged to keep their cell phones in their locker during class time. CELL PHONE CONTENT AND DISPLAY

- The Child Abuse / Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person / student is involved with “child exploitation” or “child pornography” as defined by Indiana Criminal Statutes.
- It is “child exploitation,” a Class C felony under I.C. 35-42-4-4(b), for any person / student (1) to exhibit, photograph or create a digitized image of any incident that includes “sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct” by a child under the age of 18.
- It is “child pornography,” a Class D felony under I.C. 35-42-4-4(c), for any person / student to *possess* a photograph, motion picture, digitalized image, or any pictorial representation that depicts or describes “sexual conduct” by a child who the person knows is less than 16 years of age or who appears less than age 16.
- “Sexual conduct” is defined by I.C. 35-42-4-4(a) to include sexual intercourse, exhibition of the uncovered genitals intended to satisfy or arouse the sexual desires of any person, or any fondling or touching of a child by another person or of another person by a child intended to arouse or satisfy the sexual desires of the child or other person.
- The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statute at I.C. 35-42-4-11, as of May 2009, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4(b) to register as a sex offender.
- Because student cell phones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system. One example is: If any student is proven to have solicited any picture with the above content, that student can be disciplined.

5530 - RANDOM DRUG TESTING

AIM

The aim of the South Spencer School Corporation's Random Drug Testing Policy is to support parents and families in helping children say no to drugs, resist negative peer pressure and promote a healthy life-style.

A STATEMENT OF NEED AND PURPOSE

Students using drugs illegally pose a threat to their own health and safety, as well as that of other students. Therefore, a program of deterrence will be instituted as a proactive approach to strive for a drug-free school environment. In addition to the AIM, the purpose of the random drug-testing program is to encourage students who use drugs illegally to participate in drug treatment programs.

Students involved in driving to and from school and extra-curricular/co-curricular activities need to be exemplary in the eyes of the community and other students. It is further the purpose of this program to prevent students from driving to and from school or participating in extra-curricular/co-curricular activities while s/he has residues in his/her body, and it is the purpose of this program to educate, help, and direct students away from drug and alcohol abuse and toward a healthy and drug-free lifestyle.

The primary purpose of this program is not intended to be punitive or disciplinary in nature. However, there are consequences for a positive test result. A positive test result in the random drug-testing program will not result in suspension or expulsion from school, and it will not be documented in the student's academic records. A positive test result will however; result in consequences tied to driving privileges or participation in extra/co-curricular activities.

INTRODUCTION

The Random Drug Testing program was initiated during the 2020/2021 school year. This program does not affect the current policies, practices, or rights of SSSC with tobacco and/or drug and/or alcohol possession or use, where reasonable suspicion is obtained by means other than drug testing through this policy. SSSC reserves the right to test any student who at any time exhibits cause for reasonable suspicion of tobacco and/or alcohol usage.

REASONABLE CONCERN

A substance abuse-free environment must be the stated goal of the school district, and the support and cooperation of the entire community are essential if the goal is to be realized. South Spencer School corporation has a strong commitment to the health, safety, and welfare of its students. Our commitment to maintaining a safe and secure educational environment at SSSC requires a clear policy and supportive programs relating to detection, treatment, and prevention of substance abuse by students involved in driving, extra-curricular/co-curricular activities.

SCOPE

The extra-curricular/co-curricular activity programs of SSSC, herein referred to as extra-curricular activities, an integral part of the school system and community. Extra-curricular activities are school-sponsored activities. The recognized value of extra-curricular activity to a student's personal development has given these activities a high priority in the total school program. The Board of School Trustees encourages all students to participate in extracurricular programs of the school but believes the opportunity for such participation is not a right.

Participation is a privilege offered to students who meet both the scholastic and the physical conditions of eligibility. One such condition shall be the agreement by the student to submit to testing for the use of drugs, alcohol, and tobacco products, if selected, in accordance with the testing program. This drug-testing program will be applied to all high school and middle school students (grades 6 -12), male and female, who participate in any one or combination of the following:

- **Extra-curricular activities (sports, clubs, student government, etc.).**
- **Co-curricular activities (band, choir, musical, theatre, BETA, FFA, KEY, etc).**
- **Drive a vehicle to, from, or during school .**
- **Students enrolled in drivers education through South Spencer School Corporation.**
- **Any student whose parent/guardian or custodian elects to enroll his/her student in the random drug testing policy.**

FORMS

Any student/participant who refuses to sign the appropriate form will be ineligible to participate in all extra-curricular activities and from driving to or from school. Any student/participant who fails to sign and return a consent form by the selection date set by the building principal and then decides to participate in an extracurricular activity program at a later date must submit to a drug test (which must be negative) and sign the consent form.

CONSENT FORM (See Appendix)

It is **MANDATORY** that each student/ participant who participates in extracurricular and co-curricular activities or drives to or from school sign and return the “consent form” by the selection date set forth by the building principal.

Each student/participant shall be provided with a “consent form”, a copy of which is at the bottom of this document, which shall be dated and signed by the student/participant and by the parent/guardian or custodian. In so doing, the student/participant is agreeing to participate in the random drug-testing program at SSSC. A new consent form is required each school year.

NON-CONSENT FORM (See Appendix)

A student/participant signing the “non-consent form” is stating s/he does not plan to participate in extracurricular activities or drive to or from school for the current school year. If a student/participant wishes to participate in extracurricular or drive to or from school at a later date that same school year, s/he must submit to a drug test, test negatively, and sign the consent form. The student and/or parent/guardian or custodian will be financially responsible for the drug test, and the drug test must be negative.

WITHDRAW OF CONSENT FORM (See Appendix)

If a student/participant wishes to withdraw from the random drug-testing pool, s/he must sign a “Withdrawal of Consent Form.” The “Withdrawal Consent Form” must be signed by the student/participant and custodial parent/guardian or custodian before the student/participant is removed from the pool. Once the form is signed, all corresponding privileges will no longer be available to the student/participant for 365 days. After the 365 days has been elapsed, s/he may reenter the testing pool by signing a “Consent Form” and by testing negative. The student/participant and/or parent/guardian or custodian will be financially responsible for the drug test.

TESTING PROCEDURES

The selection date is defined as the date set forth by the building principal.

- A. The selection of participants to be tested will be done randomly by the testing facility and selections will be made from time to time throughout the school year. Names will be drawn from two (2) pools of those agreeing to be tested. The first pool will include students in grades 6, 7, and 8. The second pool will include students in grades 9-12. Testing may occur on a different day, Monday through Friday. This variable schedule will keep students/participants conscious of the possibility of being tested at any time during the year. Each student/participant will be assigned a number that will be placed in the drawing. This system will utilize a computer-based system designed specifically for the purpose of randomly selecting individuals for drug testing. Students/participants will be selected randomly. Up to eight total from the middle school and the high school.
- B. No student/participant will be given advance notice or early warning of the testing. In addition, a strict chain of custody will be enforced to eliminate invalid test or outside influences.
- C. Beginning the first semester of 2020 -2021 school year, the random drug screen will test for the following; Amphetamines, Cocaine, Opiates, Methamphetamines, THC, and Cotinine (Tobacco). Those students who are twenty-one (21) or older and are not involved in extracurricular or co-curricular activities will not be tested for tobacco.
- D. Upon being selected for a drug test under this policy, either by random draw, reasonable suspicion, request of a parent/guardian or custodian, or a follow-up test, a student/participant will be required to provide a sample according to the quality control standards and policy of the laboratory conducting the testing. All students will remain under school supervision until they have produced an adequate specimen.
- E. If it is proven that tampering or cheating has occurred during the collection, the drug test will be considered positive. This will be reported to the parent/guardian or custodian.
- F. If a student/ participant refuses to submit, or is not able to submit in the allotted amount of time provided by the testing company, to the drug test, it will be considered a positive test.
- G. The specimens will then be turned over to the testing laboratory, and each specimen may be tested for alcohol, nicotine, and “street drugs”, (which may include all drugs listed as controlled substances under the laws of the State of Indiana).
- H. The laboratory selected must follow the standards set by the Department of Health and Human Services. It must be certified under the auspices of the Clinical Laboratory Improvement Act (CLIA).

PICK-UP PROCESS

The school is responsible for contracting with a third party for pick up and delivery to the testing laboratory.

STATISTICAL REPORTING AND CONFIDENTIALITY OF DRUG TEST RESULTS

The testing laboratory may not release any statistics on the rate of positive drug tests to any person, organization, news publication, or media without express written consent of the South Spencer Board of Trustees. However, the lab will provide the building principal with a quarterly report showing the number of tests performed, the rate of positive and negative tests, and what substances were found in the positive specimens.

Under this drug testing program, and staff, coach, or sponsor of South Spencer who may have knowledge of the results of a drug test will not divulge to anyone the results of the test or the disposition of the student involved, other than in the case of a legal subpoena being made upon that person in the course of a legal investigation. Once again, this will underscore the SSSC commitment to confidentiality with regard to the program.

CERTIFYING SCIENTIST RESPONSIBILITIES

The certifying scientist will review all results of drug testing. Any specimen testing positive for illicit or banned substances will be handled in the following manner:

- A. The certifying scientist determines if any discrepancies have occurred in the “Chain of Custody”.
- B. Depending on the substances found in the sample, if necessary, the principal/designee will contact the parent/guardian or custodian to determine if the student/participant is on any prescribed medication from a physician.
- C. If the student/participant is on medication, the parent/guardian or custodian will be asked to obtain a letter from the prescribing physician, within two (2) business days, to document what medications the student/participant is currently taking. Failure to provide such requested information will be considered a positive result.
- D. The certifying scientist will then determine if any of the prescribed medications resulted in the positive drug screen.
- E. Finally, the certifying scientist, based on the information given, will certify the drug test results as positive or negative and report this to the building principal, initially reporting positive results.
- F. The certifying scientist may use quantitative results to determine if positive results on repeat test indicated recent use of illicit or banned substances or the natural decline of levels of the illicit or banned substances from the body. If the certifying scientist feels the quantitative levels determined to be above the established cutoffs do not reflect current use but natural decay, then a negative result may be reported.
- G. The certifying scientist will complete the final review on the drug testing custody and control form and return the appropriate copy to the building principal in a confidential manner.

NOTIFICATION PROCEDURE FOR A POSITIVE TEST

When a principal/designee is notified that a student/participant has tested positive, the principal will notify the student/participant and parent/guardian or custodian of the positive test result and give the student/participant and the parent/guardian or custodian the following information:

- A. The substance(s) they tested positive for in the drug test.
- B. The student/participant and/or parent/guardian or custodian may submit any CURRENT documented prescription, explanation, information or doctor’s letter within two (2) business days, which will be considered in determining whether a “positive” test has been satisfactorily explained.
- C. The consequences of the positive drug test will be determined by the administration based on school policy and explained to the student/participant and/or parent/guardian or custodian.

CONSEQUENCES

The student/participant will be prevented from participating in the activities listed under these guidelines until the consequence in all situations that apply to the student/participant is served and after a “follow-up” test is conducted and the results are negative.

1st OFFENSE FOR ATHLETES & CO-CURRICULAR BAND AND/OR CHOIR MEMBERS

- C. Offense becomes part of the student/participant’s extra-curricular record.
- D. While under suspension for the first offense, the student/participant may continue to practice with the approval of the administration/athletic director and coach/director. The student/participant may continue to travel with their

respective squad to away contests, with approval of the administration/athletic director and coach/director. The student/participant may continue to be on the sideline, bench area, etc... while under suspension, with the approval of the administration/athletic director and coach/director. Upon receipt of the notice of violation of the Athletic Code, the student or his/her parent/guardian may deliver a written request to the Principal, in person or by mail, within five (5) school days after receipt of the notice, to have the original specimen tested again by the certified laboratory at a cost to the student/ participant or his/her parent/ guardian or custodian and to initiate a hearing on the determination of the discipline. During the appeal, the consequences of the offense will be enforced. All appeals will be made on a case by case basis by the superintendent/administration. If a request to retest the specimen or to hold an appeal hearing is not requested within the time specified, all rights administratively and judicially, to contest and appeal the determination will be waived. If a hearing is requested, the Principal and/or the Athletic Director shall set a time, date, and place for a hearing on the determination of whether or not a violation has been committed. A Review Committee that will consist of the Principal, Athletic Director, Assistant Principal, Head Coach/Director/Sponsor, and a coach/teacher to be selected by the Athletic Director/Administration shall conduct the meeting. After acceptance of all evidence at the hearing, the Review Committee shall make a determination as to whether or not a violation has occurred. The Review Committee shall prescribe the discipline to be imposed for the violation if the should determine that the violation has, in fact, occurred.

SELF-REPORT CLAUSE

It is the intent of SSSC to assist students/participants with developing responsibility for their actions and to encourage honesty. Therefore, any student/participant who voluntarily reports on himself/herself as to a violation of the Code of Conduct may be permitted leniency. This report must be student/participant initiated and without school officials being able to learn about the incident by any other means. This means that once the student/participant is caught by legal authorities, reported by other courses, or requested to provide a sample for a drug screen, it is too late to use the self-report clause to lessen the penalty. The Self-Report Clause can be used only once during the student/participant's four (4) year high school or two (2) year middle school career and may be used only for the first offense. The student/participant may pay a lesser penalty for the infraction than stated; s/he will not be permitted to participate in less than a number of contests that equals twenty-five percent (25%) or at least two (2) schedule contests. In cases of substance abuse, the self-reporting student/participant must participate in approved organizations and then follow the prescribed program.

FOLLOW-UP TESTS

A “follow-up” test will be requested by the principal/designee after the suspension period and after such an interval of time that the substance previously found would normally have been eliminated from the body. If this “follow-up” test is negative, the student/participant will be allowed to resume extra-curricular/co-curricular activities and/or driving. If a “positive” result is obtained from the “follow up” tests, the student will not be able to participate until the student tests negative.

FINANCIAL RESPONSIBILITY

- A. Under this policy, SSSC will pay for all random drug tests and all reasonable suspicion drug tests.
- B. Cost of the first follow up test will be covered by the school corporation. If this test is positive, all following tests will be paid for by the student/ participant until a negative test occurs.
- C. The student/participant or parent/ guardian or custodian may appeal by requesting that the original specimen be tested again by a certified laboratory at a cost to the student or his/her parent/guardian or custodian.
- D. A mandatory drug test will be given to a student/participant who chooses to participate after the selection date of a school year, and it is the financial responsibility of the student/ participant or parent/guardian or custodian.
- E. Counseling and subsequent treatment by non-school agencies, which are not funded by the school or grants received by the school, are the financial responsibility of the student/participant or his/her parent/guardian or custodian.
- F. If a parent/guardian requests a drug test, the parent/guardian is responsible for paying for the testing.

SUSPENSION PROCEDURE

When a principal (or designee) determines that a student should be suspended, the following procedures will be followed:

- A meeting will be held prior to the suspension of any student. At this meeting the student will be entitled to:
 1. a written or oral statement of the charges;
 2. if the student denies the charges, a summary of the evidence against the student will be presented;
 3. the student will be provided an opportunity to explain his or her conduct.
- The meeting shall precede suspension of the student except where the nature of the misconduct requires immediate removal. In such situations, the meeting will follow the suspension as soon as reasonably possible following the date of the suspension.
- Following the suspension, the parent or guardian of a suspended student will be notified in writing. The notification will include the dates of the suspension, describe the student's misconduct, and the action taken by the principal.

EXPULSION PROCEDURE

When a principal (or designee) recommends to the superintendent (or designee) that a student be expelled from school, the following procedures will be followed:

- The superintendent (or designee) may conduct an expulsion meeting, or may appoint one of the following persons to conduct the expulsion meeting:
 1. legal counsel
 2. a member of the administrative staff who did not expel the student during the current school year and was not involved in the events giving rise to the expulsion.
- An expulsion will not take place until the student and the student's parent(s) are given notice of their right to appear at an expulsion meeting conducted by the superintendent or the person designated above. Failure to request and to appear at this meeting will be deemed a waiver of rights administratively to contest the expulsion or to appeal it to the school board.
- The notice of the right to an expulsion meeting will be in writing, delivered by certified mail or by personal delivery, and contain the reasons for the expulsion and the procedure for requesting the meeting.
- At the expulsion meeting, the principal (or designee), will present evidence to support the charges against the student. The student or parent will have the opportunity to answer the charges against the student, and to present evidence to support the student's position. An attorney may not represent the student at the expulsion meeting, but the attorney may be available for consultation outside the meeting room during the course of the expulsion meeting.
- If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate, and give notice of the action taken to the student and the student's parent(s).

Legal Settlement

A student may be expelled if it is determined that the student's legal settlement is not in the attendance area of the school where the student is enrolled.

SOUTH SPENCER COUNTY SCHOOL CORPORATION STUDENT TECHNOLOGY ACCEPTABLE USE POLICY

A. Introduction

South Spencer offers students access to electronic information, Internet and email. With access to the Internet and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of the school setting. SS has taken reasonable precautions to restrict access to inappropriate materials, which do not serve a legitimate educational purpose. However, on a global network it is impossible to control all materials and an industrious user may discover controversial information. The Board firmly believes that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with the educational goals of this technology.

Students are responsible for appropriate behavior when using the Internet, just as they are in classrooms and hallways. Therefore, general school rules and the guidelines for behavior set forth in the student handbook apply. The acceptable use guidelines for the Internet are set forth below. Noncompliance with these guidelines or the use of the Internet to violate any school rules or rules set forth in the student handbook shall result in disciplinary action, up to and including, suspension and expulsion.

B. No Privacy Guarantee

School district personnel have the right to access information stored in any user directory, on the current user screen, or in electronic mail. They may review files and communications to maintain system integrity and ensure that individuals are using the system in accordance with District policies and guidelines. Students should not expect files stored on District servers or through District provided or sponsored technology services to be private. By accepting these terms and conditions, students waive any right to privacy or confidentiality to material that was created, sent, accessed, or stored using a District computer or a District-provided network account.

2. Each student and student's parent or guardian must annually sign the student handbook and/or the Student Technology Acceptable Use Policy acknowledging receipt and acceptance of the terms of this policy.
3. Students are responsible for their own behavior when using the Internet, consistent with the educational purpose outlined in this policy.
4. Students, parents / guardians, and employees of the District are jointly responsible for ensuring the educational value of the information and resources which are accessed, stored, and published.

No notification will precede this type of remote access. However, if it becomes necessary for a school technology official to remotely access the device, the official will attempt to notify the student prior to remotely accessing his/her device.

REBEL REWARDS PROGRAM

South Spencer's Rebel reward program has been implemented to enhance the school's primary philosophy and to provide tangible incentives for students. Our goals are to improve attendance, to reward good scholastic improvement, and to reward exemplary character. The program is purposely designed to include all students.

A. Attendance Goals

- To help students establish a pattern of regular school attendance which will carry over into their future work environment.
- To promote student awareness of the relationship between school attendance and grades.

B. Scholarship Goals
